

Roscommon Township Notification

- Intended for residents located in Roscommon Township

Roscommon Township, in conjunction with Republic Services, is pleased to announce an expanded solid waste collection program for the Township Residents which includes a cart for each Township residence for the containment of their solid waste. The carts are at no cost to the residents of Roscommon Township. **Your collection day will be changing from Thursday to Wednesday. Your first collection day will be April 3rd.**

How will this system work . . . ?

Republic Services will provide each household with a 95-gallon curb cart that has the capacity of (3) 32-gallon trashcans. On your collection day, simply place your Cart at the curb with the handle facing your house. Make sure you have a minimum distance of four feet away from other objects such as mailboxes, parked cars, and even your bulky item. Republic Services new automated collection truck will then pick up the Cart, empty it, and return it to its original location. It's that simple!

Solid Waste Collection . . .

Curb Carts should be placed at the curb **NO LATER than 6:00 AM** on your collection day. If you have more waste than what your cart can handle, please bag it, place **NEXT TO** the cart, **NOT ON TOP** of the cart, so the driver can easily empty the cart, then refill it with the other bag and empty again. Generate more than the contents of one cart? Need another cart? Call Republic Services Customer Service for details.

Cart Care . . .

With the right care your new Cart will last for many years without needing maintenance. Please use trash bags to contain your waste inside the Cart. This will reduce periodic cleanings for the Cart. Your Cart has smooth surfaces that allow it to be easily cleaned with a regular garden hose and dishwashing soap. Do not place hot ashes, construction debris, and/or hazardous waste in the Cart. Please do not paint or write on the Cart. Each Cart is labeled with a serial number. Residents should take note of the serial number of their specific Cart. If it is lost or stolen, please provide this number to the police then provide a copy of the police report to Republic and they will provide you a replacement at no additional charge.

Moving . . .

If you move, do not take the cart with you. The cart has been assigned to the property address along with the serial number and should be available for the next occupant/owner of the household.

Prohibited Items . . .

Items prohibited are: large quantities of dirt, sod or rock, hazardous waste of any kind, liquids of any kind including paint, flammable materials such as oil, or gas, concrete, hot ashes; yard waste of any kind, large amounts of remodeling or demolition materials, whole tires or any other material to be determined as prohibited by State Statute.
